

George is a fantastic and genuine person. Not only does he deliver on an exceptional client interaction but his knowledge and execution within the real estate industry is phenomenal. When it comes to availability, I found George excellent in this regard. I approached him with little to no time for him to prepare and he was quick to identify my needs. His patience, discipline, attention to detail and genuine desire to assist his client is what defines his uniqueness. As a new buyer entering the market, the nuances were overwhelming and having George along the journey truly was relieving. I wouldn't hesitate to recommend him to my family and friends as he holds himself to a very high standard. Thank you George.

I am thrilled beyond words that my house sold quickly and exceeded asking price by 7%. George provided me with advise and staging help which we followed his advise to the tee. I have already recommended George to several neighbours.

I was impressed with the level of attention you gave to the preparation and marketing of our listing. Your professionalism during the negotiation process was excellent. Most of all, I was blown away by the price we got for our home and the speed of the sale. I'd be confident to recommend you to anyone. Thanks again!

First, I would like to acknowledge and thank George El Masri for his tremendous help with the sale of my home. I greatly appreciated his understanding, support and the level of professionalism that George provided throughout the entire process.

I lived alone after my wife passed away in April 2012. I realized, in early 2014, that I needed to downsize. At 75 years of age, I could no longer look after the house properly. The decision to sell was emotionally difficult for me. There were more than 33 years of memories in the house. Our children grew up in it.

As a result of George's dedication, hard work and expertise, my home sold for a fair price in 4 days. He spent a lot of time helping me through the process. He explained the workings of today's real estate industry. It had certainly changed greatly in 33+ years. He anticipated many of the issues that came up and was always available when I frequently needed his help.

I can highly recommend George El Masri to anyone needing the services of a Real Estate Agent. He certainly guided me through everything.

Thanks again, George.
